Structural Funds and scale ups

- Structural funds support SMEs, but bounded by the SME definition (Scale up \neq SME);
- Support possible for non SMEs, but large ticket size remains a constraint. Also bounded by Public Procurement and State Aid rules;
- Operate under shared management: Member State (MS) is responsible for decision and implementation;
- Focus on a regional dimension (MS);
- High focus on equity as Financial Instruments, more to support MS ecosystem.

Thank you
